

# Tim Castrigano

Your part-time cfo offering full-time benefits

## Who is Tim Castrigano?

What do you get when you combine bang-up financial management talent and effective problem-solving skills?

### *Tim Castrigano*

As an expert CFO, he boasts over 30 years of combined experience as an employee and executive consultant in the retail drugstore industry, as the President of St. Vincent-St. Mary High School, and as a CFO of several companies across industries. He now runs his own consulting firm with his wife, Renee, who is an accounting professor. He is also a proud member of the Ohio Society of CPAs.

Tim possesses an innate ability to cut through the noise and identify the root cause of problems. He is also an expert at implementing cost-effective solutions to maximize profit.

With Tim, you can expect to receive high-level financial guidance. He brings deep industry experience and a broad perspective to help you create a competitive strategy, manage financial risks, boost operational efficiency, increase profitability, reduce costs, and make intelligent business decisions faster.

## CFO Services

- Cash Flow Rescue
- Business Plans
- KPI (Scorecards)
- Turnaround Coaching
- Project CFO
- Quickbooks Pro Consultant
- Strategic Planning
- Internal Controls

## When Should You Work with Tim?

You can benefit from Tim's services when:

- Your sales are increasing but your cash flow isn't
- You need a budget but don't have the personnel to prepare one
- You spend more time on financial issues than you do with sales and operations
- You don't receive the timely financial information you need to run your business
- You have had one too many unpleasant financial surprises
- You are not sure which of your products are profitable
- Your company growth has exceeded the capabilities of your staff
- You are seeking ways to reduce expenses without impacting team efficiency
- You require financing to fund the development of your company

## Why Clients Love Tim

Tim is a passionate CFO with a can-do attitude who goes above and beyond to save businesses in financial distress and stays committed to them in the long run.

- Establishes strong bonds with the company's funding agencies
- Negotiates favorable repayment agreements with debtors
- Recovers money in revenue
- Efficiently handles building and operational issues
- Manages facilities and support staff
- Helps look at the bigger picture and gain clarity
- Aligns strategic activities with financial objectives
